

Spring Oaks Civic Association Meeting

7:00 PM - Thursday, June 7th, 2012

Robinson Road Community Center
(corner of Robinson Road and Hanna Road)

Dear Spring Oaks Homeowners,

The Spring Oaks Civic Association Board of Directors is holding a meeting to introduce ourselves and address any questions/concerns regarding our neighborhood.

One topic of urgency is the neighborhood park on Basswood Drive. There are approximately **eleven dead trees** that must be brought down and removed as soon as possible.

The Civic Association is a non-profit organization incorporated in the State of Texas. We do not, and do not intend to assess fees on our residents. But we certainly **appreciate donations** to help support the costs necessary for the upkeep and property taxes of the park.

Please visit and bookmark **www.SpringOaksOnline.com** for additional information and periodic updates.

Thank you,
*Spring Oaks Civic Association
